CFR = 29 CFR 1910 OSHA, General Industry Regulations is the listing of all Federal regulations covering employee safety that must be followed.

These are recommended only and might not apply to each employee that falls under that title (i.e. a Park Supervisor might not have any confined spaces, so may not need to take the class).

¹ Mandatory review as part of new employee's orientation, then reviewed as updates are made.

² Require yearly classes taken for updates.

³ This only applies to employee that drive state owned vehicles.

⁴ This course is highly recommended for employees in Southern Nevada.

⁵ This course is highly recommended for employees in Northern Nevada.
